

CHAIRMAN

Eminent Social Worker of the
State Awarded by Governor in 2011.

Message:

Utkal Institute of Engineering & Technology (UIET) is managed by Chheta Devi Educational Charitable Trust. Its management is prescient & Positive attitude. It is conscious about quality education, free education facility to meritorious & Economically Bacward Students its sole purpose is to invest & create good will in the society.

BOARD OF DIRECTORIES :

1. P.C. Samantaray (Chairman)
2. B.K. Sarap (Member)
3. Basudev Jena (Member)
4. Dasaratha Nayak (Member)
5. Smt. Manomayee Samantaray (Member)
6. Smt. Sarojini Samantaray (Member)

THE INSTITUTE:

Approved by AICTE to offer three year Diploma Programmes in:

1. Mechanical Engineering
2. Civil Engineering
3. Electrical Engineering
4. Electronic & Telecommunication, Engineering

N.B.: For three year regular entry students should HSC with 35% mark & valid DET Rank is required.

LATERAL ENTRY:

ITI / +2 Science / +2 Vocational Students can join directly in 2 year with valid DET Rank.

AFFILIATION

It is affiliated to scte & VT, Bhubaneswar, Odisha.

TRAINING & PLACEMENT:

Campus placement takes place in the 5th Semester to ensure placement through campus a student will be trained properly through our excellent training cell.

By Developing

- Communication Skill
- Positive attitude
- Smartness through G.D & P.I
- Working knowledge in computer basic through C, C++, Data Structure, D B M S , Oracle, Networking etc.

Summer Training : Each student targets two summer internships & enhance their industrial skills. Several internships can come abroad when qualify and could get wage during training.

Comm. Skills Lab : Students are observed for the need of their English skill improvement. When recommended verbal & written English training is provided free with Software based Language Lab.
