Ref. No. UIET./19/6(A)

Date 10/01/2019

UTKAL INSTITUTE OF ENGINEERING & TECHNOLOGY

Constitution of Industry Institute Partnership Cell

REF:-UIET/19/6(A)

DATE:-10/01/19

The objective of the formation of IIP cell is to reduce gap between industry expectations and academic offering by direct involvement of industry to attain a symbiosis. Keeping in view of the students of UIET to be more skilled and employability, Industry Institute Partnership cell is formed on dated 10/01/2019. The main objective to provide in house industrial training to the students during their diploma engg. Course, which will definitely enhance the practical and industrial knowledge of student and create more opportunity in employment.

Mr. Chitta Ranjan Parida is appointed as coordinator in IIP cell. He will be the main responsible person to look for suitable industry/ firm through which UIET will have tie-up in sponsoring and providing in house training and creating employment opportunity for our student in future.

Apart from coordinator following staffs of UIET have been appointed as the members of IIP cell.
